

# CHAIN SPRAY

Product ID: 80112

## Product description

Chain Spray is a high-grade lubricant affording excellent chain protection from abrasion and drying out. This synthetic spray contains high-grade additives that minimise the abrasion to the greatest possible degree. The solvent distributes the high-grade grease over the entire chain and affords deep penetration into the components to be treated.

## Benefits

- ✓ Excellent lubricating properties.
- ✓ High penetrating ability.
- ✓ Strong metal adhesion.
- ✓ Completely water-resistant and non-corrosive.
- ✓ Offers abrasion protection and reduces the strain on the chain.
- ✓ Suitable for O-ring chains.
- ✓ Resistant to high temperatures and high pressure.
- ✓ Affects neither rubber, plastics nor paint.
- ✓ Resistant to water, salt, alkalis and acids

## Usage

All drive chains, derailleur gears, flanges and cables of bikes and MTB's. Also suitable for many applications where a sticky, universal and clear grease is required with above properties.

## Direction

Shake well before use. Spray the product sufficiently on the parts to be treated.

## Dosage

To be used whenever required.
