

## A/C ONE SHOT FRESHENER

Product ID: 80240

### Product description

A/C One Shot Freshener is a highly effective spray to refresh the air conditioning and air circulation system in vehicles.

### Benefits

- ✓ Easy to use
- ✓ Deodorizes and prevents the formation of unpleasant odours

### Usage

Air conditioning cleaner can be used in all cars with air conditioning and air circulation systems.

### Direction

The aerosol should be at room temperature. Shake well before use. Start the engine and let the engine idle. Put both chair and the back of the chairs in front position. Switch the a/c system on full power in the recirculation position. Place the A/C One Shot Freshener behind the chairs, activate the aerosol by pressing the nozzle once and close the door. Do not place face above the spray. After full evaporation of the A/C One Shot Freshener, the engine should idle for 5 minutes.

Turn off the engine, open the doors and let it ventilate for at least 10 minutes.

**IMPORTANT:** DO NOT SMOKE OR KEEP OPEN FIRE ROUND THE VEHICLE DURING AND AFTER EMPTYING THE AEROSOL, THERE IS A RISK OF EXPLOSION UNTIL THE CAR IS WELL VENTILATED.

### Dosage

One can treats one A/C system.
