

SUN GUARD

Product ID: 80558

Product description

Sun Guard protects plastics, rubber, vinyl and other surfaces against damaging UV rays. Restores colour and luster and maintains a fresh new look. Repels water and dust and prevents fading and cracking.

Benefits

- ✓ Protects against damaging UV rays
- ✓ Restores colour and luster and maintains a fresh new look
- ✓ Helps to prevent fading and cracking
- ✓ Repels dust, water and staining
- ✓ Dries to a smooth non-greasy matte finish

Usage

Shake before use. Clean surface to be treated. Spray surface with product and wipe completely dry with a clean, dry microfiber towel. If streaking occurs, too much product has been used. Use a wet towel to remove excess, and immediately wipe completely dry. This product does not air dry!

Can be used on a variety of surfaces such as plastics, vinyl, rubber, finished leather, chrome, alloy, synthetic and natural rubber, gel coat & fiberglass. **Do not use on** unfinished leathers (such as suede), fabrics (canvas), flooring, clear plastic, gauge panels or headlights.

Dosage

Apply every 4-5 weeks for maximum protection.

Technical specification

Density:	1,00 g/cm ³
PH-value:	7 - 8
Colour:	white
