

PETROL DETOX PRO

Product ID: 80003

Product description

Petrol Detox Pro is an all-in-one, extremely concentrated and effective problem solver for all deposit related problems in petrol engines. Cleans injectors, valves, combustion chamber and the entire fuel supply system. Optimizes combustion, improves fuel economy and prevents corrosion and wear. Contains innovative components boosting performance to a superior level in all direct injection (GDI) engines whilst at the same time providing premium performance in port fuel injection (PFI) engines.

Benefits

- ✓ Extremely effective concentrated problem solver for all deposit related problems in petrol engines
- ✓ Cleans the complete fuel system including injectors, valves and combustion chamber
- ✓ Prevents deposit build-up in and malfunctioning of the catalytic converter and turbo
- ✓ Restores engine power and performance
- ✓ Improves combustion and driveability
- ✓ Improves fuel economy due to its added friction modifier
- ✓ Protects against corrosion and wear
- ✓ Eliminates rough idling, hesitation or knocking and eliminates rotten egg smell
- ✓ Reduces emission of hazardous exhaust gases

Usage

All petrol engines including direct injection engines (GDI) and port fuel injection engines (PFI). Will not harm catalytic converter or turbo.

Direction

Pour the contents of one bottle in the fuel tank before filling it with petrol.

Dosage

One bottle treats 40 to 60 litres of petrol.
